

February 12, 2018

We extend a warm welcome to new Full members Paul Crawford, Marge and Terry Hurlbutt, Kyle Larson, and Sam Lore. We extend a welcome to our new Shooters and Associate members as well.

Thank you, as always, to all of those members and volunteers that help throughout the year with our Club maintenance, events, and general upkeep. Your help and support are essential to the success of our Club.

We extend a special thanks to those special members who maintain our shooting venues, who organize and manage our many events and activities, and who are always at hand when work needs to be done on the grounds and in our buildings.

If any members can be available for an hour or two to help with venue maintenance like trap repair, maintenance, and target loading, please let us know. We can always use help.

CLUBHOUSE IMPROVEMENTS

We've made significant improvements to our facilities in the last year. We now have a reconstructed Trex walkway and hand rails leading to our rifle range benches, a concrete pad at our rifle range bench rests, and newly remodeled restrooms in our clubhouse.

Because our oil well is not producing enough natural gas to be a reliable source of fuel for our appliances, we are negotiating with a local gas and oil producer to secure a dedicated supply of natural gas for our facilities.

KALBFUS ROD AND GUN CLUB WINTER TRAP AND SPORTING CLAYS LEAGUES

Kalbfus Rod and Gun Club members and guests participate in many Trap leagues throughout the year. Our Trap shooters are currently shooting in the Penn/York Winter Trap League. Many of our shooters are also participating in the Tri-County Sporting Clays League. All shooters are invited to shoot in either or both leagues. Schedules for both leagues are posted on our on-line calendar.

TRAP, SKEET, AND SPORTING CLAYS PRACTICE

Members and their guests are invited to come to Kalbfus on Tuesdays to shoot practice rounds of Trap or Skeet. Members and guests are also invited to shot a practice round of Sporting Clays Thursday mornings with sign-ups in the Sporting Clays parking lot starting at 9:00.

MEETINGS

We conduct our general membership meetings on the third Thursday of every month and convene at 6:30 p.m. We look forward to seeing our members at our meetings; your input is very important to the well-being of our Club. We hope you can find the time to come to our brief business meetings, to socialize with our membership, and to enjoy our after-meeting meals.

Membership fees for 2018 for all of our members were due by December 1, 2017. Combinations for our gate and range house locks and club house keypad were changed January 1, 2018, and are posted on the back of new membership cards.

If you have not renewed your membership, please contact our treasurer, Chuck Travis. If you've paid ahead, or you've paid your dues and not received your new membership card and the new combinations, please contact Chuck for a new membership card and/or the new lock combinations.

Members whose fees are delinquent for two years will be allocated to an Inactive list and be removed from our mailing lists.

KALBFUS ROD AND GUN CLUB ON-LINE

Please take the time to visit our website at www.kalbfusrodandgun.com. We provide comprehensive information about Kalbfus Rod and Gun Club including: Events, Calendar, Leagues, Membership, Club History, and Contact Information. If any member has questions about our website, please contact our webmaster at ed.mccullough@kalbfusrodandgun.com.

SECURING THE PREMISES AFTER USE

Members that use the clubhouse or the range house are reminded to ensure that lights and appliances are turned off and that the doors in our buildings are securely closed and locked. When a member is the last to leave the grounds please ensure that the gate is locked.

POLICING OUR FACILITIES

If you witness abuse or misuse on any of our shooting venues or our facilities, please advise any Board member as soon as possible with as much information about the incident and persons involved that you can gather. We will do what we can to rectify the situation through whatever means may be dictated by the offense.

RANGE SAFETY

Please practice range and firearms safety. Be aware of what's downrange, keep firearms unloaded when you're not on the firing line, and ensure that firearms are broken open or that chambers are open when you are not shooting at a target.
