*July 8, 2014*

We extend a warm welcome to new members Bill Hanson, Jerry Falconer, Steve Watson, Jamie Klark, Tom Carroll, Matt Brooker, Robert Kushion, Bruce Punsky, and Mike McDunn to our Club.

The Board of Directors extends a heartfelt Thank You to all of our volunteers who consistently maintain our shotgun and rifle/pistol shooting venues. Their tireless efforts make our shooting venues the best in our region.

We also extend our Thanks to those members who volunteered their time at the Women in the Outdoors. Your help is invaluable and very much appreciated.

#### **ANNUAL FAMILY PICNIC AT KALBFUS**

Mark your calendars! We'll be hosting our annual Kalbfus Rod and Gun Club Family Picnic at our Club on August 24.

Members will be able to shoot all of our shotgun venues starting with a free round of Sporting Clays commencing at 9:00. Free rounds of Trap and Skeet will start at 12:00 until 4:00 when we have our meal. Shooters will shoot one round of Sporting Clays and two rounds of either Trap or Skeet or one round each of Trap and Skeet (two rounds of one or one round of both; the equivalent of two free rounds).

We ask those who will be attending to bring table service and a dish to pass for the meal. Kalbfus will provide hot dogs and hamburgers, condiments for the meats, drinks, and corn-on-the-cob.

#### **WARREN COUNTY TRAP LEAGUE**

Our trap County Trap League team has posted very good scores and put Kalbfus Rod and Gun Club in first place for the first half of the competition.

#### **WARREN BLUE SCHOLASTIC TRAP**

Our Scholastic Trap shooters had a great year. In addition to being very competitive throughout the league and a number of our shooters were on the first place team in state competition.

#### **YOUTH FIELD DAYS**

Kalbfus Rod and Gun Club will, again, be lending a hand for Warren County Youth Field Days on July 26, at Chapman Dam Park. Members who are interested in volunteering time for this event can call Bill Lyon at 779-1080 for more information.

#### **JUNIOR PHEASANT HUNT**

Kalbfus Rod and Gun Club will be hosting our annual Junior Pheasant Hunts on October 11, and October 18. Our hunts are open to junior hunters who are 12- to 16-years old and have completed Pennsylvania's Hunter and Trapper Safety Education Course.

Registration must be completed on-line on the Pennsylvania Game Commission website beginning on August 20, and ending on September 17.

Additional information about the hunt will be sent via e-mail to all registered junior hunters and their parents after the registration deadline.

#### **OAK RESTORATION EFFORT**

Kalbfus Rod and Gun Club had agreed this year to partner with the United States Forest Service (USFS) in a prescribed burn of 87 acres including 6.5 acres of Kalbfus property. Due to the very wet spring the USFS wasn't able to implement their plan. It will be re-scheduled for next year.

#### **MEMBERSHIP FEES**

Membership fees for all of our members are due by December 1, of the year shown on your membership card. If you have not renewed your membership, please contact our treasurer, Chuck Travis. If you have renewed your membership and not received a new membership card, please be advised that new cards are posted on a bulletin board at the Club for pick up by members. Also, the new combinations for the gate to our property for Associate, Shooters, and Full members and the Club and range houses for Full members are available. Please contact Chuck Travis for the combinations.

#### **MEETINGS**

We conduct our general membership meetings on the third Thursday of every month and convene at 6:30 p.m. We look forward to seeing our members at our meetings; your input is very important to the well-being of our Club. We hope you'll find the time to come to our meetings to socialize with our membership and enjoy our after-meeting meals.

Please take the time to visit our website at [www.kalbfusrodandgun.com](http://www.kalbfusrodandgun.com).

#### **POLICING OUR FACILITIES**

If you witness abuse or misuse on any of our shooting venues or our facilities, please advise any Board member as soon as possible with as much information about the incident and persons involved that you can gather. We will do what we can to rectify the situation through whatever means may be dictated by the offense.

#### **RANGE SAFETY**

Please practice range and firearms safety. Be aware of what's downrange, keep firearms unloaded when you're not on the firing line, and ensure that firearms are broken open or that chambers are open when you are not shooting at a target.
