#### **KALBFUS ROD AND GUN CLUB FACILITY IMPROVEMENTS**

We've had another outstanding year in 2019 at our Club. We initiated significant upgrades to our clubhouse and our shotgun venues. Our Trap and Skeet fields are in excellent condition, and our Sporting Clays course continues to draw local and regional shooters and now offers 50 and 100 targets programs. Our outstanding facilities are a result of the diligence of our member volunteers who maintain and support our buildings and grounds and our rifle, pistol, and shotgun venues.

We can always use help with maintenance, work days, and new projects at Kalbfus. We encourage our members to help with the upkeep of our exceptional facilities and ask members who are willing and able to help to please let us know who you are.
