

Kalbfus Kalls

April 25, 2011

We extend a hearty welcome to new Kalbfus Rod and Gun Club members Doug Arnold, Tom Fadale, Wally Blythe, Mike Tenney, and Nate Tenney.

Our club membership continues to grow, and our shooting venues continue to bring more members, guests, and new members to our facilities.

We continue to host Trap and Skeet practice on Tuesdays with mini-leagues interspersed throughout the year and we've reinstated our Thursday Sporting Clays practice round. Come to the Club on Tuesday evening or Thursday morning and have some fun with the "Boys". Our shooters are always helpful and welcome new shooters.

All of these opportunities could not be done without the volunteers that make everything possible. We can always use help with these activities. Please contact any board member if you can lend a hand, even for an hour or two, and you'll be directed to the appropriate committee chair.

Winter Trap and Sporting Clays League Results

In addition to the wonderful camaraderie of these two shooting events and the terrific people that gather in a common endeavor, our Kalbfus Rod and Gun Club shooters once again have faithfully and capably represented our club in both leagues.

Our Fireplace at Kalbfus

Thanks to the efforts of Chuck Travis, Lee McCanna, and Tom Fadale our fireplace will be warming not only our cold hands and feet, but the cockles of your heart as well. Lee and Chuck did the research and Tom ran the gas line to the fireplace, and Troy Rex of Oneida Lumber and Supply has installed a gas-fired log in our fireplace that perfectly complements the rustic atmosphere of our beautiful club house at the Kalbfus Rod and Gun Club.

Junior Memberships

Children under the age of 18 of active members of the Kalbfus Rod and Gun Club are considered Junior members of our club. We will be distributing Junior Membership cards to children of our active members. The Board of Directors believes that tangible acknowledgement of their membership in our gun club would encourage youth participation in shooting sports and activities at the Kalbfus Rod and Gun Club.

Please contact Chuck Travis if you have children who are eligible for Junior Membership to our club.

Please take time to visit our website. You can read the postings and Virtual Swap meet without having to register on the website. If you want to post anything you can easily register. We post all of our special events and our calendar on the website, and any changes or additions are included as they are scheduled.

Monthly Meeting

Our monthly meetings are held on the third Thursday of every month and begin at 6:30. It is important to the welfare of our club that our members participate and are aware of our club's goals and direction as we move forward. Please attend the meetings; we are only as good as our membership and the more members that become involved, the better the Kalbfus Rod and Gun Club will be.
